

# FIREPLACE MANTELS

The *Natural* Choice

YOU'VE NEVER SEEN STONE LIKE THIS.

Our mantels are unmatched in the marketplace and are renowned for their exquisite details and creativity.

Our process has taken 25 years to perfect, yet is beautifully simple. Cornerstone Architectural Products manufactures its products using natural crushed marble and granite aggregates to create a superior product that is unrivaled in its consistent quality and ease of installation.

Combine naturally beautiful New England Veneer Stone® with our architectural cast details to take your fireplace to a whole new level.

MODEL #CAP-MAN-CH11

## *the Chateau*

**The Chateau** features scrolled corbels, dentil top, raised panel header, dentil crown molding, and custom hearth. This mantel was cast in Traditional Buff with an Etched Limestone Finish. Shown with mosaic veneer.

Cornerstone Architectural Products' number one priority is to manufacture a product of superior quality that has the look and feel of natural stone. Over the years, we have designed, manufactured, and installed custom pieces for residential and commercial projects throughout the United States. Our artisans and professional mold-makers create detailed custom pieces from drawings or photographs.

With our state-of-the-art, 42,000 square foot manufacturing facility, we are able to perform jobs of all sizes. Cornerstone Architectural Products welcomes the opportunity to bid on your future project, whether it is a residential, commercial, or restoration project. We can facilitate all of your architectural cast stone requirements.

**The Normandy** is the perfect fireplace mantel for your great room. Versatile and adaptable to any ceiling height, it is available in a wide range of colors and finishes. Add an overmantel with columns and niches for added height and impact. Shown on opposite page in Traditional Buff with Etched Limestone finish. Above left and right is Traditional Buff with Antique Travertine finish.

*the Normandy*

MODEL #CAP-MAN-01

**The Tuscan** features a beautifully detailed face and carved corbels. Shown here in our Traditional Buff color and Travertine finish. Cornerstone Architectural Products offers a broad range of design capabilities, colors and finishes.

*the Tuscan*

*the Vicenza*

**The Vicenza** is a beautifully detailed mantel. The mantel top features a dentil edge and ornate floral carvings with two Gothic gargoyles flanking the center cartouche. The curved, fluted pilasters are available in a clawed or block foot. Shown below in White Travertine finish (left) or a Traditional Buff Etched Limestone finish that has been hand-antiqued (right).

MODEL #CAP-MAN-VC03

**The Provençal** lends charm with floral carvings, rope edged trim, and an elegant frieze. Shown in Traditional Buff with a hand-antiqued Etched Limestone finish.

**Custom Configurations:** Our fireplaces are manufactured with interchangeable design components. Pictured above is the Normandy mantel top with Corinthian column legs.

MODEL #CAP-MAN-RMV02

MODEL #CAP-MAN-RM01

**Above Top:** Roman mantel top with Vicenza leg in Traditional Buff with a Travertine Finish. **Above Bottom:** Roman mantel top and leg with carved frieze header in White Etched Limestone finish.

**Cornerstone Architectural Products** manufactures custom hearths made to the customer's specifications. Pictured above is a large hearth in Gray Granite finish with Rock Edge, ready to be palletized and shipped.
